Speaker/Microphone Set-Up

Since the audio portion of the training will be broadcast using Voice Over IP, you will need functional speakers connected to your computer. Please ensure your speakers are operating.

You will be able to communicate by using text/chat. You may also choose to have a microphone set up to verbally communicate. If you wish to verbally communicate, please ensure your microphone is functional.

Translating Language

The training is delivered in English. You will need to arrange translation services if you require the training in another language.

Hearing Impaired

The live training will not be captioned. Therefore, you will need to arrange interpreting services if you require the live training. Please note, the recorded training will be 508 compliant.

3 Attend the Live Training

Log In to the Training

1. Enter this URL in your browser window:

<https://connect.dco.dod.mil/mapcat>

2. Please enter as a guest. For your guest name, enter your first and last name and military/government affiliation.

Example: John Doe, Army

Then click on the “Enter Room” button.

If you are sharing training as a group (using 1 single log-on) please enter the additional attendees in the chat window.

Technical Issues

Please ensure you have completed all preliminary testing before attempting to log in. (See “Prepare for the Training” on page 2.)

To report any technical or connectivity issues encountered with DCO webinars, please use the following information:
