⁽¹²¹⁰⁾All vessels transiting Cook Inlet are subject to Coast Guard examination to ensure their ability to implement these guidelines. Failure to follow these guidelines may result in the issuance of a Captain of the Port Order under Title 33 USC 1221. Vessel operators or their agents should contact the Captain of the Port, Western Alaska at their earliest opportunity to present their vessels to the Coast Guard for examination. To avoid unnecessary delays to vessel and port operations, notification and requests for examination should be at least 24 hours in advance of the vessel's arrival to the Homer Pilot Station. This examination program is in addition to any other Coast Guard inspections and/or examinations that may be applicable to a particular vessel. Any questions concerning these guidelines contact the Anchorage office at (907) 428-4200 or Marine Safety Detachment Kenai at (907) 235-5233.
